

Peterborough Village

**A world leading sustainable
community?**

Tim Taylor

A Sustainable Community

As sustainable as possible

**Reusing natural resources & limiting
pollution within ecological limits**

A Sustainable Community

**Create sustainable social progress in
different dimensions of people's
wellbeing**

**Pursue intra-generational justice in
people's opportunities**

A Sustainable Community

**Develop resilience by taking a
precautionary approach to future risks**

The Possibilities...

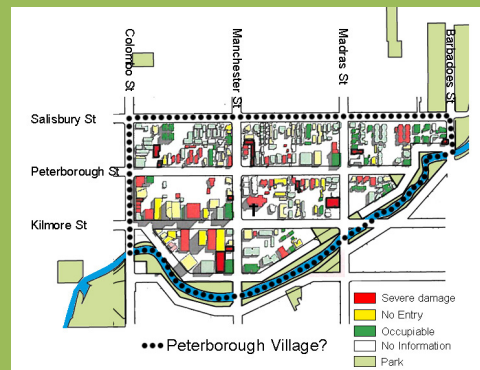

...are endless:

- Community building
- Demonstration & leadership
- Significantly improve wellbeing
- Resilience
- Best urban place to live, work in play in NZ!

Challenges

- Land ownership
- Cooperation
- Design
- Planning
- Timing
- Funding

The Plan

- A vision
- Project concept -> central city plan
- Stakeholders MOU
- Concept design
- Submission to plan
- Demolish, design, consent, build!
